do molekulske funkcije

A diagram illustrating the relationship between two concepts. On the left, the text "je deo" (is a part of) is written above a blue arrow pointing left, and "sadrži" (contains) is written below a blue arrow pointing right. These two arrows point towards a green circle on the right, which contains a black question mark "?".

Diagram illustrating a sequence of three components: **Annen** (crossed out with a large red X), **Repressor**, **Cyclin**, and **Activator**. The text **Preslikavanje ne postoji** (Mapping does not exist) is written below the sequence.
